FROM ARIZONA.-We have received a private letter from H. J. Drew, esq., who left here for Arizona in July last. Mr. Drew, having visited several of the mining distriets in that Territory, writes from Prescott under date of September 16th. John H. Marion, esq., Editor Miner DEAR SIE:- This is to inform you that last night (Sat urday), a little after 12 o'clock, while I was, as usual quietly sitting at my table reading, some low scoundrel with murderous intent, fired a shot at me, which, fortunately, missed me and struck the adobe wall behind me After rousing a few friends, who heard the shot, we searched and found the ball on the floor. It came, so doubt from an "X1-No. 4-Allen's patent" pistol. The general verdict of the community is that it was done by some political enemy, in retaliation for my article in yesterday's Respectfully yours, C. L. Mison, Ed. "Senfinel."

The tone of the political article referred to in Mr. Minor's letter is on the severe order, but is far from being vindictive. We have no personal acquaintance with Mr. Minor, but gentlemen who have, inform us that he is a quiet, unobtrusive, industrious citizen, and we know, from reading his paper, that he has always attempted to calm the agitated spirits is now on deposit in the Farmers' and Drovers' Bank, as of his town.
